NX | SUPERMATT⁺²

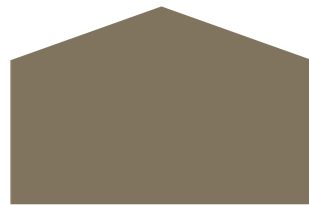

NX | SUPERMATT⁺²

Thanks to the latest technology in our stunning NX Supermatt⁺² range, we can bid farewell to fingerprints and say hello to easy-to-clean surfaces. The NX Supermatt⁺² is proven to be anti-fingerprint and resistant to fade and scratches. Be awed by the low light reflection that is aesthetically pleasing to the eye while complemented with a finish that is soft and silky to the touch. These surfaces are ideal for interior use and will leave the space a sophisticated and timeless impression for many years to come.
